

Aisha Eman

FRONT-END DEVELOPER

PERSONAL PROFILE

I am an enthusiastic and detail-oriented final year student of Computer System Engineering with a passion for front-end development and I also possess the ability to sell products. I am seeking opportunities to leverage my web development skills, entrepreneurial spirit, and sales expertise in order to contribute to innovative projects.

WORK EXPERIENCE

I am working as a freelancer from almost one year. Demonstrated effective communication and customer service skills as well doing efforts to successfully managed an e-commerce Facebook page.
